

Breakfast Anyone?

The IQA WA Branch & WestTrac invite you and your guests to enjoy an informative Breakfast entitled:

New Perth Bunbury Highway

Guest Speakers: Tammy Mitchell and David Della Bona

Western Australia's largest road project and new gateway to the south west – the **New Perth Bunbury Highway** - has faced many challenges in its first 12 months of construction. One of the most significant has been meeting the raw material requirements of this iconic project. Join David Della Bona, Raw Materials Manager, and Tammy Mitchell, Community Relations Manager to learn how Southern Gateway Alliance manages the region's leading raw material operation and works collaboratively with the community to resolve local issues.
