

# QUARRIES LAY THE FOUNDATION FOR EVERYTHING THAT LASTS.

GET INVOLVED

## THAT'S SOLID

**IQA** | The Institute of Quarrying AUSTRALIA

### I EXTRACT MATERIALS, BUT I'M NOT A DENTIST.

I'M A QUARRY WORKER.  
**THAT'S SOLID**

**IQA** | The Institute of Quarrying AUSTRALIA

## READY TO START A NEW CAREER?

### SOLID CAREERS. STRONG COMMUNITIES.

Every road you drive on. Every school, hospital and home. It all starts with quarrying – and the people making it happen are right in your community.

Quarrying offers solid careers, close to home. No FIFO. No long commute. Just rewarding work with real progression and paid training.

**NOW, THAT'S SOLID.**

## WHAT QUARRYING OFFERS YOU

### No experience needed

start with paid on-the-job training

### Diverse roles

from plant operators and truck drivers to engineers, environmental scientists and beyond

### Real career growth

many quarry managers started as operators

### Local jobs

work close to home, in your own community

### Hi-tech work

GPS-guided machinery, drones, automated systems
